**Re: Third Interim Response for Freedom of Information Act (FOIA)
Request No. 2019-DA-01677-F**

Dear Mr. Evers:

This is a third interim response to the above-referenced FOIA request, for the following records:

1. Records sufficient to identify all employees who entered into a position at the agency as “political appointees” since the date the search was conducted for FOIA request number 2018-OCIO-01202-F (the “Relevant Date”)] and the title or position of each employee (to the extent that such individuals have held multiple titles or positions since the Relevant Date, identify each title or position). For purposes of this request, please consider any employee in a PAS position, a presidentially-appointed position, a non-career SES position, a Schedule C position, or any administratively-determined position to be a “political appointee.”
2. Records sufficient to identify all career employees who have been detailed into a leadership office or component front office since the Relevant Date (as that term is defined in request 1); the title or position of each employee while on detail; and each employee’s originating agency or component, and prior title (to the extent that such individuals have held multiple titles or positions since the Relevant Date, identify each title or position).
3. For each individual identified in response to requests 1 to 2:
 - a. The resume provided by the individual to the agency in connection with determining the appropriate salary for the individual, or, if that is not available, a recent resume contained within the agency’s records. We have no objection to the redaction of contact information (addresses, telephone numbers, e-mail addresses) for the employee or references, or to the redaction of past salary information. Employment, education, and professional association information is not exempt and we object to any redactions of such information.
 - b. Any conflicts or ethics waivers or authorizations for the

individual, including authorizations pursuant to 5 C.F.R. § 2635.502.

c. Records reflecting any recusal determination made or issued for the individual.

d. Copies of any SF-50 forms for the individual reflecting any change in position or title, including when the employee enters or leaves a position. We have no objection to the redaction of home addresses, telephone numbers, or social security numbers from the SF-50s.

4. For all employees who entered into a position at the agency as “political appointees” prior to the Relevant Date (as that term is defined in request 1], and all career employees who have been detailed into a leadership office or component front office prior to the Relevant Date:

a. Any resume provided by the individual to the agency after the Relevant Date. As noted above, we have no objection to the redaction of contact information (addresses, telephone numbers, e-mail addresses) for the employee or references, or to the redaction of past salary information. Employment, education, and professional association information is not exempt and we object to any redactions of such information.

b. Any conflicts or ethics waivers or authorizations for the individual created after the Relevant Date, including authorizations pursuant to 5 C.F.R. § 2635.502.

c. Records reflecting any recusal determination made or issued for the individual after the Relevant Date.

d. Copies of any SF-50 forms for the individual reflecting any change in position or title, including when the employee enters or leaves a position, created after the Relevant Date. We have no objection to the redaction of home addresses, telephone numbers, or social security numbers from the SF-50s.
